Sensational Seniors

If you haven't already you will soon be bombarded with brochures from senior studios and part time wannabies. How do you decide where to go? Why should you choose Lieberman Photography?

We are not a factory cranking out low quality work. **You are a unique individual and you should be treated that way.** We will give you personal attention from the moment you enter our studio, during your session and throughout the stages of creating your final images.

Our simplified ordering allows you to select how many poses you want and what quantities and sizes you want them in. You will not be forced to order packages with items you don't really need. In the following pages you will learn how "Unit Pricing" works and you will see how the more you buy the more you save.

This year we have lowered our minimum order. Now you can order as little as one unit. Clients who indicate they wish to order less than our standard minimum of five units will have the opportunity to select their poses right after their session in our studio. We suggest a parent be present to help pick the best images. These sessions are scheduled from 9 am to 1 pm.

Photography sessions fill up fast, especially in the late summer. To get the date and time you prefer, **we suggest you call us to schedule your portrait session as soon as possible.** We schedule photo-sessions Tuesday through Friday from 9 am to 6 pm and limited appointments are available on Saturdays. Please call at your earliest convenience.

Late summer appointments book up very fast!

To encourage early appointments we offer you the following Early Bird Specials.

These specials apply to all orders with a minimum of 5 units. See unit chart.

Image Viewing Options

VIEW IN STUDIO

If you don't plan on meeting our \$270 minimum order you will get to view your images and select them in our studio immediately following the session. Payment in full is required when order is placed.

VIEW ONLINE

If you meet our \$270 minimum order, you can view your images online with a link that we will provide you via email one week after the session. The \$270 minimum order fee will be collected at the session in addition to session fee. We encourage you to schedule an appointment to also see your images on a large screen in our studio in addition to online viewing.

VIEW IN KEEPSAKE ALBUM

A Keepsake Album of all the images created from your session can be purchased for \$80. It is spiral bound with four images per 8x10 page without any watermark or logo. This keepsake is yours to have and enjoy forever. Session fee and album fee will be collected at the session. A \$270 minimum order fee will be collected when you pick up your Keepsake Album. Album is ready approximately 10 days following session. We encourage you to schedule an appointment to also see your images on a large screen in our studio.

Unit Orders A Unit is how you buy finished Portraits in the smaller sizes that include wallets, 4x5, 4x6, 5x7, and 8x10. Seniors usually purchase these sizes in quantity so we adjusted our prices; the more you buy the more you save! A unit is equal to eight wallets or four 4x5s or three 4x6s or two 5x7s or one 8x10. Use the Unit Pricing chart to determine the price for all of your Portraits in unit sizes.

Poses A Pose is a unique captured image. You can create your own Custom Package with as many Poses as you choose!

Re-orders Re-orders are priced at \$55 per unit. For multiple unit re-orders we allow you to order from the Print Unit Pricing chart. Start your new order where you left off on the chart for a “buy-in” fee of \$50.

Wall Portraits Wall portraits are the more impressive sized prints. They all come mounted on art board as a standard and are surface protected with a lacquer coating so they do not need to be framed behind glass. See the **Specials** chart below.

Retouching Prints include **Level I Retouching** - to soften wrinkles, remove minor blemishes, even out skin tone, soften facial shine, remove minor stray hair & remove eyeglass glare as needed. **Level II Retouching** is \$15 per item, client must specify items as follows: fill in or remove hair, extensive softening of wrinkles and blemishes, whiten or repair teeth, whiten eyes, fix clothing tags or minor wrinkles, minor body trimming.

Yearbook There is no charge for us to produce one image to your yearbook’s specification from an image you order. You must place your order at least three weeks before your school’s deadline for yearbook portraits. If you do not place your order by the deadline we will select an image on your behalf. That image will not have the benefit of retouching since it is not part of an order. If you do place an order and select a pose for the yearbook but order no other units from that pose a \$10 handling charge will apply. If you order retouching on that pose (\$30), the handling fee is waived. A \$50 rush fee will apply on yearbook selection if placed within 3 weeks of deadline. Additional yearbook poses are \$80 each and client will receive an \$80 credit towards additional units.

Class Composite If your school’s Official Photographer will accept a composite image from us, we will supply you with an additional copy of your yearbook image for the composite as part of your package.

Wallet Personalization Digital Wallet Personalization is **FREE!** Choose your name or initials, and year if you like. Choose font style and color from our selection. For an additional \$3.25 per 8 wallets you can have your imprint stamped with gold or silver foil. Personalization style must be consistent on all wallets or incur a \$25 fee.

Social Networking Get a free image for Facebook. “Friend” the Lieberman Photography Group and we will tag your image and upload it. You may select one more Facebook image from your order and we will upload that one too.

CD Images Get your hi-res session images including retouched versions from your order on a CD for \$80 each or all of them for \$400 with a minimum \$270 units order. See the **Specials** chart below for discounts on CD images.

Publicity Requests A \$25 fee applies for emailing images, CD’s of images, or for release letters for use in ads, announcements, invitations or party décor.

- 3 4x6
- 4 4x5
- 8 Wallets

1 - 8x10

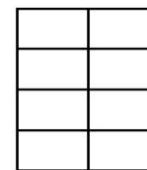

2 - 5x7

3 - 4x6

4 - 4x5

8 - Wallets

Package prints must be ordered in whole units. Package print units may be split to ½ units for an additional fee of \$6.

Tips for Successful Senior Portraits

What Do I Wear?

When choosing outfits, keep in mind the most important thing is that you like how you look in them. Bring a variety of clothes. Most seniors bring both casual and dressy outfits. When we create your portrait we want the first thing the viewer sees when looking at your portrait to be your face. We believe if we can coordinate our backgrounds with your clothing we are well on our way to a successful portrait. At the beginning of your session we will ask you to show us what you brought so we can plan our backgrounds accordingly.

Avoid bare arms or very short sleeves as upper arms can be very distracting especially on the more popular head and shoulder poses. Wear clothing that looks good on you! Classic looks always work well. Lay out your outfits on your bed at home. Make sure you have all the accessories you need, including socks, shoes, ties, belts, jewelry and proper undergarments.

Keep these ideas in mind when planning for your session:

Guys For the more traditional portraits wear a suit or sport coat with a tie. Medium to dark sweaters photograph very well. For casual and outdoor photos, comfort is the rule – jeans, shirts, sweatshirts, shorts, sweaters and western look work well. Avoid wrinkled, ragged or ripped clothing. Faded t-shirts and bold prints or patterns do not photograph well.

Grooming: A close shave is important. We cannot remove five o'clock shadow. Trim mustache and/or beard. Check for unruly eyebrows and excessive hair in the nose and ears. Use cover-up on scrapes, bruises and blemishes. Even though we do retouch, this will minimize the amount of retouching needed and the need for heavy retouching surcharges.

Gals Bring the colors you feel you look the best in. Dresses, sweaters and lace work well for a more traditional look. Avoid busy or distracting patterns and prints. White clothing looks wonderful on a white background. Wearing white on a dark background tends to make the subject appear larger. Black and other dark colors are more slimming. Long sleeves work best for the close-ups.

Makeup It is very important to accentuate your features and makeup should be applied a little heavier than normal. Many of the ladies we photograph have makeup professionally applied. Avoid white eyeliner, frosted or high shine lip-gloss and the “dewey” look. Light tends to reflect off of shiny surfaces. Double check for: tan lines, chipped nail polish and well-groomed eyebrows. Avoid self-tanning products which give skin an orange cast.

A word about suntans Too much sun darkens your skin unnaturally, dries out your hair, makes skin appear shiny and greasy and shows bags under your eyes. Strap marks will show on draped poses or bare shoulder poses. There is an additional charge to retouch tan lines. Keep your tan even, but don't overdo it. Stay away from the sun or tanning beds two days prior to your session. Sunburn is a real problem. Cancel your appointment if you are sunburned. **PLEASE !!!!**

Hair Make sure your hair is how you like it. If you are going to have your hair cut and/or permed, try to do this at least one week before your session. Do not experiment with a radical new hairstyle. Chances are you won't feel it expresses the "real you". A popular hairstyle today for young women has bangs that cover an eye. While it may be in style, it is not conducive to high quality portraiture. Check for frizzy or flyaway hair just before your session begins and bring hairspray or styling aids for quick touch-ups between clothing changes.

Eyeglasses If you choose to wear glasses during your portrait session call your optician and arrange to borrow a pair of empty frames like yours or have the lenses removed from your frames. Most opticians offer this service for free; just give them plenty of advanced notice.

Props Varsity jackets and class rings will accentuate your photos. Bring hats, scarves, musical instruments, sports equipment, a pet, a friend, a sibling or whatever you think will make your personality shine through.

Rest and Serenity Get plenty of rest the night before your session. Proper sleep makes your skin look better and gives you a better attitude. If you are not well rested it may show in your portraits. If you are planning to have your hair blown and styled or professional make-up applied, please give yourself plenty of time to get to your appointments and still arrive at our studio 10-15 minutes prior to your appointment. Please don't let yourself get to the point where you feel rushed or anxious. **Music:** We have a CD/tape player and an I-pod dock in the camera room. Feel free to bring along your own music to enhance your session.

Arrival Please remember to arrive 10-15 minutes prior to your session to check-in, look at some examples, and get comfortable. We will spend a few minutes with you to find out which photographic styles you like best. If you are late for your session this will reduce the number of images we can create for you. Also if you are running late, please call the studio and inform us of when you anticipate arriving.

In Good Company We encourage you to bring a parent, sibling or friend to make you feel more comfortable and put you at ease.

One last thought Everything we mention above is designed to help you with your session. They are mere guidelines. There are no rules. We want you to be your own unique self and to feel comfortable and proud of your portraits. Come in with a great attitude and just have fun.

Why We Copyright Our Portraits

In 1976, the Federal Government passed a law making it illegal to copy materials protected by a copyright. These materials include items such as sheet music, books, paintings and professionally created photographs.

The finest craftsmen in the industry make the portraits you will commission us to create. Our studio invests heavily in training and education to provide the highest level of quality photography found anywhere – and the high quality found in each of your portraits cannot be duplicated or copied without suffering a severe loss of sharpness, color and clarity. We also find copying our images morally wrong as it denies us our rightful income from the fruits of our labor and creative talents.

Since such a loss would reflect poorly on the reputation of our work, *Lieberman Photography* has reserved the copyright on each portrait we create. We retain electronic images from which additional images can be made to our exact specifications.

**“My school has a contract with another studio,
Do I have to go there?”**

“Will I still appear in the yearbook?”

“What is the class Composite all about?”

These are commonly asked questions. Here are the answers:

Most high schools have a “contract” with a photography studio. That studio may provide photography services or help produce the yearbook. In exchange, the school recommends that students go to the contracted studio for their senior portraits. The larger contract studio may photograph several hundred students a week. They accommodate such large numbers with an assembly line approach. Many of our clients who tried the contract studio first, tell us that it was very cold and impersonal. They have many photographers with varying levels of skill and experience.

What about the Class Composite? This is the composite that has a very small headshot of only the students who went to the contract studio. It is not a true representation of the entire senior class. Some contract studios will accept portraits from independent studios to include in their composites, and we are happy to provide you with a copy of your yearbook portrait for this purpose.

If your school’s contracted studio does not accept portraits from independent studios and you want to be included, then we suggest you go to the contract studio for a basic session. Show us your paid receipt and we will give you a credit up to **\$25** when you place your order with us.
